PRESS RELEASE

E&C PARTNERS LEAD HANNAH & FRIENDS COACHES' KICKOFF FOR CHARITY

Entwistle & Cappucci LLP partners Andrew J. Entwistle and Craig E. Nelson will join coaches Charlie Weis, Ara Parseghian and Lou Holtz and co-chair the Hannah & Friends Third Annual Notre Dame Coaches' Kickoff for Charity event being held in Chicago on July 31, 2008. All proceeds from the event will benefit the Hannah & Friends Foundation, the Ara Parseghian Research Foundation and the Holtz Charitable Foundation.

Hannah and Friends is a non-profit foundation providing emotional and financial assistance to children and families living with special needs. Proceeds from the Coaches Kickoff event will also support the Hannah and Friends "Awareness and Compassion Campaign" to promote education about developmental disabilities. Support received will also help foster the Hannah & Friends vision of creating a new, improved quality of life and well-being for those with developmental disabilities through the creation of non-institutional community living. Construction of the Hannah and Friends farm community featuring petting zoo and recreation center is now underway.

The Ara Parseghian Medical Research Foundation is a volunteer non-profit organization dedicated to funding research projects and collaborative efforts to find a treatment and cure for Niemann-Pick Type C disease (NP-C) and related neurodegenerative disorders.

The Holtz Charitable Foundation is a nonprofit grant making corporation. Founded in 1998 by Lou and Beth Holtz, the foundation is committed to promoting Christianity,

education and charity. Through private and corporate donations and fund raising activities, the foundation makes contributions to non-profits that support its mission statement. These contributions have provided funding for important causes including trade scholarships, homeless centers and Christian ministries.
